

# Powerfully Simple and Secure Earnest Money Deposits

Digital earnest money payments are *safer and more secure* than checks and wire transfers.

## Enhanced Security

Digital payments are fully encrypted and include built-in fraud protection tools.

*No risk of lost or stolen checks or wire fraud!*

## Faster Payments

Home buyers make their payment in seconds and companies enjoy speedy processing.

*No waiting around for checks to clear!*

## More Convenience

Digital EMDs can be made from anywhere at any time with an internet connection.

*No more tedious checks or bank visits!*

## Better Accounting

Digital EMDs provide a clear digital record of the transaction, reporting tools, and proactive notifications.

*This reduces errors and automates bookkeeping.*
